

To our valued Memphis Lung patients –

We are so excited to announce that we are moving to a new location in February 2022. Our Memphis and Collierville offices will become one once we move so we will no longer have our Memphis location (**by Baptist East**) or our Collierville location (**inside Baptist Hospital – Collierville**). If you are scheduling an appointment for February or later in 2022, we'll see you at our new office! Our new address will be **2120 Exeter Rd, Suite 250, Germantown, TN 38138**. Our phone numbers will not change – we'll be available at **901-767-5864** or **901-850-1170**.

Our new office location features:

- Convenient parking
- Updated amenities
- Elevator access in waiting room
- Easily accessible location
- Right next to Trader Joe's in Germantown
